05 Certifications

Proven quality backed by trusted domestic and global certifications.

IDFB(International Down and Feather Bureau)
Certified under strict IDFB testing standards for superior down quality and global safety compliance.

RDS(Responsible Down Standard)
Certified to ensure animal welfare ethics are strictly followed from down sourcing through final manufacturing.

IDFL
Tested and verified by IDFL, an IDFB-accredited institute, ensuring precise quality control for our down products.

KATRI
Verified by Katri, Korea's most trusted testing institute, ensuring minimal defects and honest quality in our down.

OEKO-TEX® STANDARD 100
Free of harmful chemicals with Class 1 certification, providing gentle safety for infants and toddlers under three.

KC Supplier's Declaration of Conformity
Our products meet Korea's safety standards for household and children's textile products, verified through supplier conformity.

KC Safety Verified
Rigorously tested for superior quality, guaranteeing safe everyday use for infants and children under three years old.

Dermatest Excellent Grade
Rated "Excellent" by Germany's leading dermatological institute, guaranteeing non-irritating skin safety.

Blue Sign
Verifies full adherence to bluesign® environmental and safety criteria, ensuring safe and sustainable textile quality.
